Royal Botanical Gardens – Rock Garden

Thursday, September 21, 10:30 am

The internationally recognized RBG Rock Garden re-opened in 2016 after a \$20M renovation and expansion. The spectacular Rock Garden is one of North America's top five garden experience destinations, with new fully accessible paths, extensive water features and three new garden areas. And for those of us who are amateur gardeners, it provides ideas and inspiration to take home and incorporate into our own gardens - so important at a time when everyone's garden can play a role in helping to make our communities more sustainable.

We will meet inside the Visitor Centre at the Rock Garden at 10:30, and then enjoy a walk around the gardens, led by our own Peter Thompstone. Make sure to wear comfortable walking shoes and bring your camera. Following this, there is an optional lunch at the Rock Garden Cafe.

The admission fee is \$16 for adults and \$13 for seniors. If you are interested in joining us, contact **Sandra Watson** by email (sandra.watson32@gmail.com), or by phone (905 988-9378) **by September 19**. Arrangements will be made for carpooling as required, so let me know if you need a ride or are willing to drive.
